CANCELLATION POLICIES

You can cancel for any reason at least 48 hours prior to departure with or without Cancellation Protection for no charge or a full refund if you have already paid. Within the last 48 hours, you must have purchased Cancellation Protection at the time of booking to receive a refund minus the cost of Cancellation Protection, which is 10% the total cost of your trip. (This does not include Private Charters or Cruises.) The Gulf Coast is known for pop up rain and small short lived storms that are unpredictable. The only way to receive a refund in the 48 hours prior to departure is to purchase Cancellation Protection. We strongly suggest you purchase Cancellation Protection to ensure flexibility and a great time on the water.

RENTALS

Should we experience bad weather at the time of your departure, and you did not purchase Cancellation Protection, you will be able to rebook your reservation for up to 1 year from the date of the reservation, however you will not receive a refund.

WALK-ON FISHING CHARTERS / CARIBE CRUISER & EXCURSIONS

The captain will make the final decision whether or not to cancel the trip. If the trip is canceled prior to departing, and you did not purchase Cancellation Protection, you will receive a raincheck to another availability within 1 year. If your trip is cut short due to weather, you will receive a raincheck and can rebook to another availability within 1 year.

PRIVATE CHARTERS & CRUISES

Since these are private charters/cruises - once the booking is confirmed, any cancellations must be agreed to by the captain of the charter/cruise - we do not have any control over cancellations and do not offer cancellation protection.
